

All Authority

lyrics & music: Travis Ham & James Cheesman | © 2019 Travis Ham, James Cheesman

E **C#m**
You came into this world of night
B **F#m**
Oh Son of David, King of grace
A **E**
To guide us with the Spirit's light
B **E**
And crown us with Your Father's praise

You bless the poor and mournful soul,
Invite the weary, "come and rest,"
Command the spirits, calm our storms,
And call the outcast as Your guest

A **C#m**
Glory, power, love, and honor
B **F#m**
To the Hope of all the world
A **C#m**
Guide us with Your grace and goodness
B **E**
All authority is Yours

You perfectly fulfilled the Law
Our death You died, our cross You bore,
And rose to raise us from the fall
For all authority is Yours

As we await Your sure return
We go in faith to sow Your Word
And baptize in the triune Name
For all authority is Yours
