

For Such a Time as This

written Travis Ham | ©2015

C (F/C) **G**
We severed ourselves from our God

Am **F**
Through sin and compromise

C (F/C) **G**
The world, the enemy, the flesh

Am **F**
Unite for our demise

Oh who will rise for our relief?
For our deliverance stand?
Oh who will rescue and redeem
Our fallen, guilty band?

Am **F**
For such a time as this

C
You've called us to proclaim

G
You've called us to proclaim good news:

Am **F**
"Christ died and took our place

C
To ransom and to raise

G (F only last 2x)
All who receive His grace and truth"

Our sorrow turned to gladness now
Our mourning into joy
We wait the day when Jesus' reign
Will over all deploy
