

Hope In God (Psalm 42-43)

lyrics & music: Travis Ham | © 2016 Travis Ham

D

I thirst for You, O God

G

My vision marred with tears

Bm

O when will praise for You forever

G

A

Fill my mouth and ears

G

A

Why do you despair O my soul?

G

A

Why are you so disturbed?

D

Hope in God for I yet will praise Him

G

Helper of my heart and my soul's salvation

Bm

Hope in God for I yet will praise Him

G

Helper of my heart and my soul's salvation

Your waves they break on me

Yet still Your love is sure

O vindicate and plead my case

Sustain me to endure

O send Your light and truth

O lead me by Your grace

Until O my exceeding Joy

At last I see Your face
