

Kindred (Philemon)

words & music by Travis Ham

C F C
Almighty Father, grace and peace

C G
You give to us through Jesus Christ

C F C
We pray: our faith and love increase

C F G
To lend Your aid to all the saints

Am Fmaj7
We once were shackled, slaves to sin

C G
We once were useless to Your cause

Am Fmaj7
But Jesus died to save and win

C G
Convicted traitors through the cross

F C
No longer slaves, we're kindred now

F G
And yoked with Christ, this field we plow

C F
Till every nation, tribe, and tongue

C G C
All bow before Your risen Son

Now all our confidence is Christ,
And for His sake we now appeal:
Oh Father, unify Your saints!
Erase division! Mend and heal!
As fellow siblings, help us bear
Each other's burdens with Your love
As fellow workers, through us share
Your Gospel news to all the world
