

Restless Night

words & arrangement by Travis Ham (©2023), tune by Franz Gruber (Public Domain)

vi **IVmaj7**
Restless night, urgent night
ii **vi**
Joseph wakes, filled with fright
IVmaj7 **Vsus2&4**
For an angel speaks in a dream
IVmaj7 **Vsus2&4**
"Rush to Egypt with your family.
ii **vi**
Herod is hunting your Child.
IVmaj7 ii vi V/vii IV maj7
Herod is hunting your Child."

Desperate night, frantic night
While still dark, take to flight
Down to Egypt, run and hide
Until Herod finally dies
Christ, the refugee flees
Christ, the refugee flees

Horrible day, murderous day
Herod sends troops to slay
Newborn babies, toddling boys
Hear the weeping of deep, stolen joy
Who could comfort such pain?
Who could comfort such pain?

I
Current day, urgent day
V IV I
Christ, who will return to reign
IV I
Calls His Church to share in the needs
IV I
Of His fellow refugees
V I vi
Will we heed the call?
I V vi V/vii IV maj7
Will we heed the call?
