

Send Us Out

words & music by Travis Ham | ©2023

I **V/vii**
We have gathered as Your people

vi **IV**
We have gloried in Your ways

I **V/vii**
We've declared that You are worthy

vi **IV**
Of Creation's ceaseless praise

vi **V**
More than this, You are deserving

vi **IV**
Of the love of every heart

I **V/vii**
Jesus, guide our words and actions

vi **IV**
As together we depart

We have borne each other's burdens
And received Your holy Word
We've proclaimed Your crucifixion,
That You rose, and will return
Jesus, in this firm conviction,
Send us out that more may know
Of Your news of life eternal
Work through us now as we go

To our neighbors, to the nations
To our enemies and friends
They must know You laid Your life down
In their place for every sin
How will they trust You as Savior
If they never hear the truth?
Lord, embolden us to tell them
Send us out to share Good News!
