We praise Your grace, oh God

We have seen You gracious when all hope seems lost On our darkest day we nailed Christ to the cross Yet, for our redemption, in our place He stood What we meant for evil, God, You meant for good

We will see You gracious through our every pain You will prove: to live is Christ, to die is gain When at last we see You, we'll have understood What we meant for evil, God, You meant for good Intro: sparse
