

# Will Never Be In Vain

lyrics: Travis Ham & Philip Rynhart | melody: Scottish Folk Tune | © 2019 Travis Ham & Inspirational Records

**D** **A**  
Oh, Triune God, Your boundless grace

**D/F#** **G**  
Deserves our endless praise

**D** **A**  
And so, we trust our toil for You

**G** **(last x: D)**  
Will never be in vain

**G** **A**  
Oh, Father God, we missed the mark

**Bm** **G**  
Our sins, we cannot count

**D** **A**  
But out of love, You sent Your Son

**G**  
To lay aside His crown

Yes, Jesus Christ, Your sacrifice  
Saves all who will believe  
We worship You, the Lord of life,  
Our resurrected King!

*[Chorus]*

Now, Spirit, stir our weary hearts  
With passion for Your Word,  
And send us out to spread the news  
Of Christ throughout the world

Till saints from every tribe and tongue  
In unity proclaim,  
"Our faith in Christ, the risen King,  
Has never been in vain!"
